Water service interruptions reported in Hanalei

11:20 A.M. HANALEI – The Department of Water (DOW) has received reports of a potential water main break and water service interruptions on a portion of Kuhio Highway; from the Hanalei River to Malolo Road in Hanalei town. DOW crews have been dispatched and are on route to the area to investigate the report further.

An update will be provided as new information becomes available. To monitor updates online, please visit www.facebook.com/KauaiDOW.
